

WorkLife MEETINGS

by **INDUSTRIOUS**

Collaborate Your Way

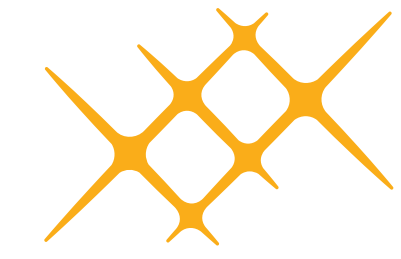

Meeting Space to Keep Your Team Focused

A Space to Focus. WorkLife Meetings by Industrious is a conferencing center like no other. An environment where all types of collaboration are not only possible, they're abundant. A place to make deadlines, deals and everything in between. A modern business tool to keep you productive, efficient, successful. WorkLife. Solving For Your Day.

WorkLife Meetings Features:

- Staffed reception
- On-demand meeting space
- Executive catering
- State-of-the-art technology
- High-speed WiFi

Everything in One Place

WorkLife Meetings was developed to provide the space, services, and amenities needed to achieve unique collaboration goals. The intentionally designed layout allows for events ranging from a 100-person conference to an intimate four-person meeting. Rooms are available by day part or day at preferential day rates and can be easily reserved online.

Features Include:

- Full service reception and conference check-in counter
- Executive catering provided by The Landing
- Common pantry
- Podcast studio
- Private, single-person phone booths
- Breakout lounges
- Meeting rooms to accommodate 6-100 guests

Amenities of the Connected Work Campus:

- The Landing, a full service restaurant and bar that includes private dining rooms
- Office Hours, a grab and go eatery located on the First Floor
- Life Time, a fitness and wellness facility and juice bar
- Bleacher seats and common lounge located just outside of WorkLife Meetings that includes two large LED screens that can be reserved for private events

Nesting wall can be retracted to accommodate a 100-person meeting room
